THE HACK DRIVER

Question 1.

Why is the lawyer sent to New Mullion? What does he first think about the place?

Answer:

The lawyer was sent to New Mullion to serve summons on Oliver Lutkins, who was needed as a witness in a law case.

He first thinks that the place must be a sweet and a simple country village.

Question 2.

Who befriends lawyer? Where does he take him?

Answer:

A hack driver at the station, who called himself Bill Magnuson, befriends him. He told the lawyer that he knew Lutkins and would help in finding him. Bill took him to all the places where Lutkins was known to hang out. He took the lawyer to Fritz's shop, where Lutkins played a lot of poker; to Gustaff's barber shop and then to Gray's

barber shop; to the poolroom and several other places before finally taking him to Lutkins' mother's farm. However, Oliver Lutkins was not found.

Question 3.

What does Bill say about Lutkins?

Answer:

Bill told the lawyer that Lutkins was a hard person to find as he was always busy in some activity or the other. He owed money to many people, including Bill, and had never paid back anybody. He also said that Lutkins played a lot of poker and was good at deceiving people.

Question 4.

What more does Bill say about Lutkins and his family?

Answer:

Bill told the lawyer that he knew mother of Lutkins'. He said that she was a terror. He narrated an incident when he took a trunk to her once and she almost took his skin off because he did not carry it carefully. He also said that she was very tall and bulky. She was very quick and could talk a lot. He said that Lutkins must have heard that somebody was chasing him and consequently would have gone into hiding at his mother's place.

Question 5.

Does the narrator serve the summons that day?

Answer:

No, the narrator did not serve the summons that day.

Question 6.

Who is Lutkins?

Answer:

The hack driver himself is Lutkins but pretends to be Bill Magnuson. He tricks the lawyer to avoid the summons to be a witness in a case.

ANS.- 1.DESKTOP WIRELESS WI-FI CARD

1. WI-FI CARDS
2. WIRELESS WI-FI ROUTERS
3. WI-FI SUB ADAPTER
4. WI-FI HOT SPOT
5. WIMAX

Q4- What do you mean by Internet? Write five advantages and disadvantages of internet.

The Internet refers to a large computer network that links together other, smaller computer networks. It includes a variety of networks that follow different protocols.

The Internet refers to a global network of information that is transmitted to billions of computers and devices. These networks are operated from various entities, such as education, government and businesses that follow specific protocols.

The Internet was first developed in 1962, but it wasn't until a few decades later when it became widespread and was adopted among a variety of everyday users. With the accessibility to electronics becoming easier, it makes the Internet available to a wider population. It's estimated that in 2014, about 40 percent of the world's population had Internet access.

Advantage

There are many advantages of internet.

1. We can make **donations online**.
2. We can **send and receive information** across large matrix of computer systems. Through **email service**, we can send messages for both business and personal purposes.
3. Internet has opened doors for **virtual online offices**.
4. During the festive season, we don't need to visit crowded stores to buy our stuff. We can **make online purchases** at a bargain price.
5. We can **send birthday greeting cards** through the internet.
6. Before making any purchases, we can **check online for user reviews** of the products that we intend to buy.
7. We can use **social media applications** on our personal computer and mobile devices. In this way, we can reconnect to our old school friends.
8. We can gather information for new job openings. We can also **apply online for jobs**.
9. We can **earn online** by doing freelancing jobs, selling online, completing surveys, affiliate marketing, etc.
10. We can also **sell old items** that are of no use for us.
11. During idle time, we can **listen to music or watch a video**.
12. We can browse internet for information and use it as **supplementary source of knowledge to aid our formal education**.
13. We can join online courses and **develop our skills**.
14. We can **improve our health** by reading articles on health topics, or watching videos on stretching exercises.

Disadvantages

The disadvantages of internet are:

1. We often tend to **purchase those extra items that we rarely need**. Such purchases are a wastage of money.
2. The **internet is not free**. Sometimes, it hurts while paying bills.
3. There are hundreds of vendors selling products of various brands. We get **confused with too many choices**.
4. The **transaction cost** levied by the payment gateway providers decreases the margin of the online sellers.
5. Too many **contradictory review** leads us nowhere.
6. The **physical distance among loved ones** is increasing.
7. Somewhere the **emotional connect between people are missing**.

8. We feel **helpless when the internet connection is down**.
9. We always remain engaged with many online activities such as checking emails, socializing, chatting, online shopping, business-deals, etc. **We don't get time to rest**.
10. Since most of the things can be done at the click of a button, **we have become lazy** and don't want to move around.
11. **Our life is moving at the pace of internet**. We seldom spare few moments of peace for us.

Q.5 Mention at least five features of using window live writer. (for answer read chapter -6)

Q.6- How can you insert graphics images into word document? Write down all the steps involved

ANS.- From the **Insert tab's Illustrations** group, click the **Picture** button. The **Insert Picture dialog box** appears. Use the dialog box controls to browse for the **image you** want. Click to select the **image**. Click the **Insert button**. The **image** is slapped down into your **document**.
