TED

I have little brindle dog
Seal brown from tail to head.
His name I guess is theodore,
But I just call him Ted.
He's only about eight months old
I guess he's just a pup;
Daddy says he won't be larger
When he's all grown up.
He plays around about the house,
As good as he can be,
He doesn't seem like a dog,
He's just like folks to me .
When it is my bed time,
And Ma is making the bed;

And wish good night to Ted.
My teddy is a playful dog
He never growls or bites
We play fetch on the afternoons
When I come home from school
I playfully chase Ted sometimes
We love each other dearly
My little Ted and me-
We're the very best friends,
And always hope to be.
