# Dear Parents,

Warm greeting to you all for the students. We want to share some tips to make vacation period more fruitful. As they spend 10.5 months in a restricted discipline of School life, So please help your child to learn few more things apart from the Academics, So that they blossom in their natural way. Here we are going to give a few tips for that.

#### Here are few tips for the parents & students to follow:

- 1. Take a children newspaper daily allow them to read an article and then discuss with them about topic.
- 2. Watch a few inspiring movies with them.
- 3. Visit a few places and tell them to write about the experience and knowledge of that place.
- 4. Ask them to plant a sapling and water it daily.
- 5. Make them learn any two hymns that could inspire him or her to become a good person
- 6. Assign a few household work in that they become responsible and helping.

# HARI VIDYA BHAWAN
